IAMA NSW Masterclass

MASTER CLASS IN BASIC ARBITRATION SKILLS

Grade 3 IAMA Arbitrators

Incorporating a Bridging Course to the new Arbitration Act

A Master Class in Basic Arbitration Skills is held biennially by the NSW Chapter. It is aimed at Arbitrators who have completed the IAMA Professional Certificate in Arbitration course or have achieved Grade 3. Those who are considering enrolling in the course might also like to attend to familiarise themselves with the practice of Arbitration.

The masterclass is particularly relevant to all Grade 3 Arbitrators as it will incorporate a Bridging Course involving lectures and exercises dealing with the new Arbitration Act.

The Master Class will be conducted by Ian Bailey SC, supported by experienced Grade 1 Arbitrators, as an interactive discussion in workshop format. Participants will be expected to participate to the debate on the issues raised.
